

Newsletter Editor's Report AGM 2017

To all members,

I have been privileged to receive your wonderful stories and photos to share with all members. No story is ever the same.

Every Canine friend is unique with their own personality and I have received some very unique happy stories about first visits, ongoing visits, special events and some sad Memoriums although they were celebrations of the happy times and years of service those beautiful dogs gave to the Community. Outstanding service by so many.

I have enjoyed trying to incorporate all the stories and photos in each edition and not leave anyone out especially when I know how much effort has gone into obtaining the stories and photos. Our last Summer and Autumn Editions had to expand to 10 pages as I did not want to disappoint anyone.

I do hope you have enjoyed reading about our Members' experiences with their best "pals".

I would like to thank all the members who have contributed and especially Ann Evans who seems to have a steady stream of amazing stories and places both she and the members in her area visit.

I look forward to receiving more fabulous snippets in the near future and it would be especially nice to hear from members in all areas of New Zealand.

My kindest regards

Beverley Jocelyn (and our 3 beautiful rescue dogs, Banjo, Rambo and Marley)
