

## Wellington Events Co-ordinator Report AGM 2018

---

### **One event held this year 17th February at Capital E in Wellington**

Canine Friends was contacted by Amy Church the Public Programmes Coordinator at Capital E in Wellington. She asked if we could support their Chinese New Year programme as it is the year of the dog. Capital E is an award-winning not-for-profit organisation based in the cultural capital of Wellington, and their focus is young people and their creativity. They asked if we could introduce some of our CFPT dogs to interact and spark some new creative juices in their youngsters. So on Saturday afternoon 17th February three dogs and their handlers joined them. The children loved meeting and learning how to behave around dogs. Someone suggested drawing the dogs so the kids got to it! In attendance was Chilli Bean, Sydney Silky and Rafa. A happy time was had by all and we look forward to visiting again.
