

Funding Co-ordinator's Report AGM 2022

During the 2021/2022 financial year we received funding as follows:

Lotteries Grant:

NZ Lotteries no longer invite multi-year grant applications. A one-year application was lodged, and I am pleased to report \$4151.00 was received on 15 October 2021. This funds our membership management software platform (Wild Apricot), our Xero subscription and our email/web services subscriptions (Zoom and Discount Domains).

These systems play a major part in maintaining good communication with the facilities we visit, our regional Liaison Officers and our members.

The use of Zoom for committee meetings allows the make-up of the committee to be national rather than Wellington based (historically) and provides a wider perspective.

Donations:

Total \$7434.00

Once again, we were fortunate to receive a \$5000 donation from a very generous supporter.

Note: \$1100 tagged for Manawatu, Napier, and Whanganui.

Dogs NZ:

A new agreement for five years was signed on 1 April 2021 whereby DogsNZ agrees to provide \$5000 per annum. The first payment was received on 30 August 2021. This agreement funds training of our Liaison Officers, Assessors and Placement Officers which includes holding an annual conference.

We are extremely grateful to receive this ongoing support which also includes the opportunity to feature in the monthly Dog World magazine and being considered part of the Dogs NZ family.

Sponsorship:

A further two-year partnership agreement with NZ owned pet food company Ziwi, with effect 1 May 2021 supports us with the following:

Newsletters - printing & postage to members and facilities- \$6873.71

New Member Packs - postage & packaging including Ziwi samples - \$1821.52

Appreciation Certificates – Founder’s Day -\$191.97

Rest Home Brochure Design & Printing - \$855.75

Total Spend: \$10,106.65

I wish to formally thank Ziwi for their ongoing recognition and support which has enabled us to strengthen as an organisation, in turn consolidating our ability to help people in need.
